

## FRIENDS, SPONSORS & PATRONS

---

The *Friends, Sponsors & Patrons* support the Museum Kunst der Westküste (MKdW): They make an important contribution to the realisation of the museum's exhibition programme, which is both regional and international in scope. Their efforts include the commitment to accompanying publications, events and digital innovations. By funding the acquisition of artworks they also help expand the collection and thus raise the museum's unique profile. Finally, the *Friends, Sponsors & Patrons* promote art education and, in doing so, facilitate cooperation projects with kindergartens and schools to provide creative and enriching museum experiences for young people. They enjoy free admission throughout the (calendar) year as well as access to exclusive events such as previews, artist talks, New Year's receptions and art trips:

Individuals can become a friend of the MKdW with a contribution of € 100 or more. Get involved in this architecturally attractive museum on Föhr, which is renowned beyond the region and the west coast of the European North.
